

Pittsburgh Geological Society presents

# "So You Want to be a Geologist"

## A Student Workshop

*If you have wondered what you might do after graduating with a degree in geology, you will want to attend this workshop. Four working professionals will discuss:*

careers in geology  
field camps, grad schools, and colleges  
local job trends  
candidate information – interviewing, resumes, etc.  
professional conduct  
“must-have” skills and attributes  
professional organizations  
licensing, ethics, and legalities

**Date:** February 27, 2010

**Place:** Department of Environmental Protection  
500 Waterfront Drive  
Pittsburgh, PA 15222 (Washington’s Landing)

**Time:** 10:00 to 3:00

**Cost:** no charge to students – pizza and soft drinks will be provided

**RSVP:** Judy Neelan  
412 442-4087  
By February 19, 2010 (Class size will be limited to 25 – reserve early)
